England Men's White-Ball Captain Ruled Out of Vitality IT20s Against Australia

STRICTLY EMBARGOED UNTIL 9.30AM BST ON THURSDAY 5 SEPTEMBER 2024

England Men's white-ball captain, Jos Buttler, has been ruled out of the upcoming Vitality IT20 series against Australia due to a setback with a right calf injury. This injury also places his participation in the Metro Bank ODIs later this month in doubt.

Surrey all-rounder Jamie Overton has been called up as a replacement in the T20 squad. The three-match IT20 series is set to begin next week at the Utilita Bowl, Southampton, on 11 September 2024.

Additionally, Essex batter Jordan Cox has been added to the ODI squad as cover. The five-match ODI series is scheduled to start on 19 September at Trent Bridge.

In Buttler's absence, Phil Salt of Lancashire, who has captained the Manchester Originals in The Hundred this season, will lead the T20 side.
