## **England Men's World Cup squad finalised**

The England Men's selection panel has finalised the 15-player squad for the 2023 ICC Men's World Cup.

The selection panel met following the 3-1 Metro Bank ODI Series win over New Zealand and have drafted Harry Brook into the 15-player World Cup squad while Jason Roy is not included.

England Men's National Selector, Luke Wright, said: "We have selected a squad we are confident can go to India and win the World Cup.

"We are blessed with an incredibly strong group of white-ball players which was underlined by the performances in the series win against a very good New Zealand team.

"The strength of the group has meant that we have had to make some tough decisions on world-class players with Jason Roy missing out and Harry Brook coming into the squad."
