## Robinson and Sibley named in County Select XI squad

Ollie Robinson and Dom Sibley have been selected to the County Select XI squad that will play New Zealand in a four-day match at the Cloud County Ground, Chelmsford from Thursday.

Robinson and Sibley are the two England capped players in a 12-man squad that will be overseen by ECB Elite Performance Pathway Coach, Richard Dawson.

Kent opening batter Ben Compton, who leads the run-scoring in Division One

of the LV= Insurance County Championship this season with 878 runs, has been rewarded with a place following his start to the summer.

The squad was selected from the pool of available players following consultation with the first-class counties.

Richard Dawson said: “We have selected a strong squad of players who are in form and who deserve the opportunity to test themselves against high-class international opposition.

“Matches like this provide a valuable opportunity to see how the selected players handle a step up from county ranks and I am looking forward to working alongside them.

“I would also like to thank the first-class counties for their collaborative approach during a busy period.”
